

Q-LON® DOOR SEALS

Q-LON door seals are known for their soft compression and superior recovery. Made of polyurethane, this foam gasket seal provides impressive thermal and acoustic barriers. Made for durability, Q-LON stands up to extreme weather conditions, and most stains, paints, and detergents.

FEATURE	BENEFITS
Embossed polyethylene liner	Resists paints and varnishes. Long lasting. Maintains an attractive appearance. Stable in sunlight. Tested up to 5,000 Ki/m2 with no visible degradation.
Urethane open-celled foam	Shape and resiliency are retained over time. Offers excellent all-temperature sealing performance. No corner leaks. Seal conforms to uneven surfaces.
Extended reach design	The seal conforms to warped doors.
NEW! Low shrink option	More stable in harsh environments.
