

## Encore® Contour® (Maxim)

### Handles And Covers

The Maxim cover and handle for the Encore operator. Dual handle options are available with your choice of the Contour or Tee style handle. Left and right-handed options are also available.

This cover and handle set can be applied to any of our existing Encore operator arm styles for casement and awning windows.

### AVAILABLE COLORS

### PRODUCT HIGHLIGHTS

- Smaller sealable housing gasket
- Reduces water/air infiltration and eliminates caulking
- Removable cover that reduces inventory costs by allowing non-color specific operators to be stocked
- Integrated snap feature allows fastener less cover attachment
- Full flip folding handle
