LOCKS

Cam Locks 700 Low Profile Series

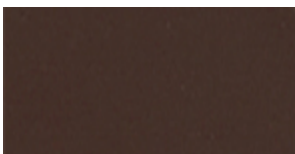

The 700 Series low profile design make the lock very popular in the market. The lock is offered with a variety of hole patterns and cams to fit a wide variety of window designs. The lock also offers an optional forgiving cam that helps compensate for misalignment of locks and keepers.

Product Highlights

- Recommended for: aluminum, composite, vinyl, and wood
- Available with optional forgiving cam that helps allow for misalignment of locks and keeper
- The lock provides .062" of pull in to aid in sealing the meeting rails
