

## Engineered Solutions. Trusted Results.

REACH: 0.200"

### 32406

Seamless compression seals are nearly 100% closed cell to prevent water from penetrating foam cell structure. Extruded skin provides a unique UV resistant barrier with design features that enhance the weather strip's sealing performance. All of Foam-Tite®'s products are CFC and phthalate free. This product features our Pro-Slip II coating which provides excellent durability and co-efficient of friction properties making it a great choice for sliding applications.
