

Engineered Solutions. Trusted Results.

## HANDLES AND COVERS

### Encore® Tango®

Tango is an innovative handle and cover design which fits our Encore operator series. Encore incorporates all the same strength and performance characteristics of our Maxim® operators

#### product highlights

- Smaller sealable housing gasket
- Reduces water/air infiltration and eliminates caulking
- Removable cover that reduces inventory costs by allowing non-color specific operators to be stocked
- Integrated snap feature allows fastenerless cover attachment
- Full flip folding handle
