Sentry™ 45.63

AmesburyTruth™ is pleased to introduce our Sentry 45.63 series contemporary handle set. This addition to our popular Sentry line incorporates a sleek modern design resulting in a contemporary look that is sure to compliment your door system. Sentry 45.63 handle systems feature an industry standard 92 mm spacing between the handle and thumbturn. AmesburyTruth™ also offers optional longer spindle and mounting screw kits for thicker doors.

Key Features & Benefits

- ✓ Contemporary handle shape is both elegant and easy to grasp
- ✓ Extended bosses on interior escutcheons to enhance handle stability
- ✓ Plated decorative finishes on solid brass substrate, and painted finishes on zinc substrate
- ✓ This premier handle set is designed to accent today's larger doors
- ✓ Thumbturn above the handle allows for easier access to key cylinder, handle set can be inverted for European-style locking
- ✓ Family look now available for sliding and hinged door solutions
